1.03 NONDISCRIMINATION

The City hereby retains and reserves unto itself all right, power, authority, duty, and responsibility confirmed on and vested in it by the laws and Constitution of the State of Rhode Island and/or the United States of America.

ARTICLE III

3.01 SENIORITY

Seniority of employees shall be computed in each rank from the date of original appointment to that rank. Accurate and up-to-date seniority lists shall be posted in each station prior to December 1st of each year.

Any member who terminates his/her employment and is re-employed by the City under an employment agreement shall in any event be placed on the bottom of the seniority list. He/she shall be considered one-day junior to the bottom person on the seniority list for reasons of picking vacations, bidding for station assignments and for details to be performed.

3.02 SENIORITY ON TEMPORARY ASSIGNMENT

A member working a regular shift other than his/her own or working a regular shift at a station other than his/her regular assignment or working overtime or when called back to duty shall be entitled to his/her normal seniority privileges and rights within the group to which he/she is temporarily assigned and duty details shall be performed by the junior man of the group.

3.03 BID SYSTEM

All present positions in the following groups, stations and divisions shall be bid except for the position of Chief's Aide, Fire Alarm Inspector and other civilian clerical and secretarial positions. The bid shall be held in each rank with seniority in each rank being the deciding factor.

Each member of the fire department is locked into his/her respective group, station or division until such time as a vacancy occurs of equal rank, in which case a notice shall be posted notifying all concerned parties of the date, time and place of the upcoming bid.

When a member is awarded an assignment due to the bid, his/her position immediately becomes open and will be filled by the same system during the same bidding session. Once a

position is reached that no one bids for, that position is filled by the senior extra member or, in the case of no extra members, left vacant awaiting the next bid.

When a member is awarded an assignment due to the vacancy bid, he/she shall assume the new assigned work schedule without additional compensation or time off. The respective member shall choose his/her vacation from the remaining available vacation schedule on that group.

In addition to the vacancy bid, an annual bid shall be held during the first week of November each year for voluntary bidding.

When a member is awarded an assignment due to the annual bid, he/she shall assume the work schedule of the new position without additional compensation or time off.

When the bidding session is completed, the Union shall, within forty-eight (48) hours, give to the Chief of the department, in writing, a list of any or all transfers to be made. The Chief shall, within fifteen (15) days of the vacancy or fifteen (15) days of receipt of the list whichever comes later, put the transfer into effect. No member shall be ordered or compelled in any way to transfer unless he/she is considered an extra member.

The positions that are open for bid are as follows:

1. Battalion Chief
2. Division Head (All members assigned to that division excluding Chiefs Aide, Fire Alarm Inspector and other civilian clerical and secretarial positions)
3. Captain
4. Lieutenant
5. Fire Fighter
6. Extra Fire Fighters (assigned to Station No.1)

All other positions are not open to bid.

In the event the City of East Providence or the Chief of the Fire department deems it necessary to relocate any of the fire apparatus, it shall be decided by Local 850 through the bid system which members of the fire department shall fill any and all vacancies that arise.

Once all the bidding in any case is completed and the transfers have been made, the officer in charge of each group shall take each member's seniority into consideration before assigning him/her a permanent position. Temporary positions or assignments on the rescue truck within a group shall be filled by seniority choice. Temporary assignment shall be allowed to be filled on any rescue to gain necessary experience for the purpose of employees to maintain their EMTC certificate. Temporary positions or assignments on the rescue truck within a group shall be filled by following the rescue hiring policy set forth in 9.04(B). Said rescue hiring policy may be amended from time to time by mutual agreement of the parties hereto. Such amendment to be effective must be in writing and signed by the parties hereto.

The assignment of Uniformed Fire Fighters with less than two (2) years of service shall be left to the Chiefs discretion. Fire Fighters with less than two (2) years of service who are EMTC certified shall be temporarily assigned to a rescue not filled during a bid at the discretion of the Chief of the Department, until such time as the position is filled permanently through the bid process. Openings on the rescue vehicles shall be filled first with firefighters with less than two (2) years seniority. All other vacancies shall be filled after the rescue vacancies have been completed. Two (2) probationary firefighters shall not be assigned to a rescue vehicle at the same time. When a Uniformed Fire Fighter completes two (2) years of service, that member will be eligible to bid on vacancies for which he or she is qualified.

A Super Bid will be allowed at the discretion of the Fire Chief when stations or in-service apparatus are added, moved or deleted.

3.04 LAYOFF

In the event that the City at any time during the term hereof lays off employees covered by this agreement, the same shall be done, if not forbidden by law, on the basis of strict seniority that is, the last employee hired in the bargaining unit (including probationary employees) shall be the first to be laid off and so on until the number required to be laid off has been met.

No layoffs shall take place without the City having first discussed the same with the Union with a view toward minimizing the number of employees to be laid off or toward taking such action as may be possible to avoid the layoff of any employee provided, however, that the City's obligation under this paragraph shall be limited to notification and discussion and that its final decision shall not be subject to the grievance procedure or other appeal.

Employees shall be called back from layoff by seniority; the employee with the highest seniority being the first to be called back.

How Your Deductible Works

Your plan features a deductible. The deductible is the amount of covered expenses you must pay per calendar year before we start to pay for covered services.

Family Deductible Example

Here's how a deductible would work for a family of three enrolled in an HSA, with a family deductible of \$4,000. It assumes that all services are in-network.

- Sue has a surgical procedure that costs \$2,000.
- Her husband goes to see his doctor several times, for a total of \$1,000.
- Her daughter Jane has a sports injury, and her medical bills total \$1,000.
- Together, they've reached their deductible amount of \$4,000. They're now covered at 100 percent for any additional in-network services they might receive.

Your Prescription Drug Plan

Your prescription drug plan divides all covered drugs into three different levels (tiers).

Tier 1, Tier 2, and Tier 3 drugs are listed in the Preferred Drug List.

		Copayment per 30-day supply	Mail order 90-day supply
Tier 1	Low cost generic drugs	20%	20%
Tier 2	Higher cost generic and preferred brand name drugs	25%	25%
Tier 3	Non-preferred brand name drugs	30%	30%

Prescribed over-the-counter aspirin, folic acid, iron supplements, and smoking cessation medications purchased at a retail pharmacy are covered at 100% according to federal guidelines.

- **Infertility drugs, including oral and injectable drugs, are covered with a 20% coinsurance.**
- **Coinsurance is based off the retail cost of the drug.**

How Your Deductible Works

Your plan features a deductible for services provided outside the network. The deductible is the amount of covered expenses you must pay per calendar year before we start to pay for covered services.

- Three family members must satisfy the individual deductible. Once the third family member meets his or her individual deductible, the family deductible is satisfied.
- Once the out-of-network family deductible is met, the family only needs to pay coinsurance (if applicable) up to the out-of-pocket maximum.

The family out-of-pocket maximum accumulates the same way as the family deductible.
