ARTICLE I RECOGNITION

The Town of Glocester recognizes the International Brotherhood of Police Officers, as the sole and exclusive bargaining representative for all full-time, regular police officers, excluding the Chief of the Police Department as certified by the State of Rhode Island Labor Relations Board in Case No. EE-3304, in its Certification dated March 21, 1983, and excluding the position of Captain for the purpose of collective bargaining as to wages, rates of pay, hours, working conditions, and all other terms and conditions of employment.

The membership, as a group, reserves the right to secure the bargaining agent of their choice provided that they notify the Town Council and the Chief of Police within thirty days following the effective date of such change, at which time this agreement shall remain in full effect between the Town and the new bargaining agent.

The Town agrees that it will not discriminate against a member of the bargaining unit as a result of membership in or lawful activity on behalf of Local #638 IBPO (the "Union").

The Union shall not discriminate against any member of the bargaining unit because of non-membership in Local #638 IBPO or because said member refrains from engaging in any activities of the Union.

All members of the bargaining unit shall have the right to voluntarily join or refrain from joining the Union. Those members who choose not to join the Union, however, and who are covered by the terms of this Agreement, shall be required to pay a monthly service fee to the Union for the purpose of aiding the Union in defraying the costs in connection with its legal obligations and responsibilities as the exclusive bargaining representative.

The aforesaid fee shall be payable in accordance with the regular payroll schedule, and the sum shall not exceed the regular dues paid by those who voluntarily choose to join the Union. Other than the payment of these service fees, those members who do not choose to join the Union shall be under no further financial obligations or requirements of any kind to the Union.

Upon receipt by the Town of signed, voluntary authorization cards from members of the Union, the Town agrees to deduct Union membership dues levied in accordance with its constitution and by-laws from the pay of said Union members, (along with the service fee for non-union members), and remit the aggregate amount to the designee of the Union. Such remittance shall be made in accordance with the regular payroll schedule.

The Union shall defend, indemnify and hold the Town and any of its agents, representatives, employees and functionaries harmless from any and all claims, suits, orders, judgments, costs and liabilities brought, issued or assessed against the Town which arise out of the dues and service fee deduction provisions of this agreement of the Town's compliance therewith.

ARTICLE II SENIORITY

Seniority of police officers of the Town of Gloucester shall be computed according to rank and according to continuous service in such rank. In the case of patrolman, seniority shall be computed according to continuous service from the date of employment as a full time police officer for the Town of Gloucester.

The computation of "continuous service" as herein above referred to, shall include such period of time when as a police officer of the Town of Gloucester Police Department, after his/her date of original employment, the police officer shall be engaged in involuntary active duty in the armed forces of the United States; provided, however, that such period of involuntary active duty shall not include a period of voluntary reenlistment or other voluntary extension of military duty beyond the time of the original period of such involuntary active duty.

Police officers of the Town of Gloucester Police Department shall be allowed to choose their work shifts on a seniority basis; provided, however, that the Chief shall be empowered to assign officers to appropriate shifts for training and to ensure adequate supervisory presence. Shift selection shall be made during the first week in April and in the first week in October of each year. Police officers will not be compensated for extra hours worked as a result of shift changes during the first week in April of each year.

New police officers shall be considered probationary employees for a period of one (1) year from the date of their appointment, excluding time spent in attendance at the Police Academy. Probationary employees shall have no seniority rights and may be discharged for any reason during the term of their probation. Once an employee has completed his/her probationary period, his/her seniority shall relate back to the date of his/her appointment.

Temporary 120 day rule: An officer may be transferred on a temporary basis as determined by the Chief of Police to fill any vacancy that occurs within the police department. The temporary assignment can be up to 120 days for investigation purposes. The temporary assignment will not change the officer's rank and seniority will revert back to the original position when temporary assignment is completed. Temporary assignments will be mutually agreed upon with the Chief of Police and the assigned officer.

ARTICLE III VACANCIES

The rights of seniority will be observed in the filling or assignment to temporary vacancies within the Town of Gloucester Police Department, subject to the agreement of the Chief of Police. However, no police officer of the Town of Gloucester Police Department shall be required to work two (2) consecutive shifts of duty two (2) days in a row, except in an emergency as designated by the Chief of Police. In the event that such police officers shall elect not to accept assignment to fill such vacancy or vacancies, or shall fail to accept such assignment when called, then, and only in such event, may the Chief of Police fill such vacancy or vacancies by the assignment of his choice of a regular (in accordance with Article V, Section 2) or special officer of the Town of Gloucester Police Department.

Any temporary vacancy resulting from the absence of, or need for, a police officer, for any reason will be offered to full-time police officers, below the rank of Chief of Police, on a rotating basis. A list, in order of seniority, will be maintained. Any vacancy will be offered in accordance with the list until said vacancy is filled. Once an officer is offered a shift, regardless of his/her choice, he/she will go to the bottom of the list for the next vacancy. An officer will not go to the bottom of the list if he/she is unavailable for the shift because of patrol or other required duty for this Department or when he/she is on vacation, personal, sick, emergency or injured time. Special details or other voluntary assignments will not be considered required duty.

The determination as to whether a vacancy or vacancies on a shift will be filled will be the sole responsibility of the Chief of Police.

In the event that it becomes necessary for the Town to layoff police officers of the Town of Gloucester Police Department, such layoff shall be by rank and shall be those police officers within such rank as have the least amount of seniority. A police officer displaced from his rank because of a layoff may bump any officer with less Department seniority in a lower rank.

When permanent vacancies occur within the Gloucester Police Department, such vacancies shall be filled as soon as possible once the Town Council determines, in its discretion, to fill such vacancies.

Flex Time

Effective January 13, 2014 the Chief of Police will have the option to flex a supervisor or a patrol officer for a designated assignment. This flex schedule will not affect minimum man power requiring of two (2) officers per shift and will not circumvent overtime. Any flex schedule over two (2) consecutive shifts (eight (8) days) the Chief will notify the union.

ARTICLE IV

The officer working this shift shall assist with the work load and take calls as needed, as well as following in on calls for officer safety. The additional shift cannot be filled by ordering an officer back to fill this vacancy, therefore, the Union agrees that this shift shall not be filled for that evening when an officer does not voluntarily sign up for the shift vacancy. Officers may split this overtime shift up with another officer to maximize the filling of these shifts.
