The City of Warwick recognizes Local 2748 as the exclusive bargaining agent for all the permanent sworn uniformed employees of the Warwick Fire Department, excepting the Chief and the Assistant Chief(s), for the purpose of collective bargaining relative to wages, salaries, hours and working conditions. The rights of the City of Warwick and employees shall be respected, and the provisions of this Agreement shall be observed for the orderly settlement of all questions. The right of the Chief and the Assistant Chief(s) to belong to Local 2748, shall in no way be limited or affected by this agreement. Local 2748 agree that in the event any changes are necessary in its by-laws to protect and preserve the right of the Chief and Assistant Chief(s) of the Fire Department to belong to Local 2748, such changes shall be made without delay.

SECTION 2. UNION SECURITY

It is mutually agreed that there shall be no coercion, intimidation or discrimination practiced by the City of Warwick or Local 2748 against any employee of the Warwick Fire Department because of membership or non-membership in Local 2748 or activities therein. The President, Vice President and Secretary of Local 2748 shall be allowed time off with pay and without requirement to make up such time in order to attend six (6) regular or two (2) special meetings of Local 2748, such time not to exceed four (4) hours including attendance at negotiation sessions and attendance at interest arbitration sessions. Two (2) members who have been elected or appointed as delegates from Local 2748 to the convention of the International Association of Fire Fighters shall be granted time off with pay and without the requirement to make up such time to attend

such conventions. "One (1) member who has been elected or appointed as a delegate to the Rhode Island Fire Fighters Association shall be allowed time off with pay and without the requirement to make up such time (not to exceed four (4) hours at any given time) to attend meetings of the Rhode Island Fire Fighters Association not to exceed ten (10) meetings in any contract year. Two (2) delegates shall be granted time off with pay and without the requirement to make up such time in order to attend conventions of the Rhode Island AFL-CIO, not to exceed two (2) days in any contract year." The Chief of the Department may deny such time off in case of emergencies. All present employees and new employees of the Fire Department of the City of Warwick who are not members of Local 2748 on the effective date hereof, or who do not become members shall not be required to become members of Local 2748 during the term of this Agreement, but shall, as a condition of continued employment, pay to Local 2748, the employees' exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of Local 2748, which shall be limited to an amount of money equal to Local 2748's regular and usual dues and its general and uniform assessments levied upon its members in connection with its responsibilities as the collective bargaining agent for employees of the Warwick Fire Department.

SECTION 3. MANAGEMENT RIGHTS

The City of Warwick shall retain the right to issue rules and regulations governing the internal conduct of the Fire Department as provided by law.

SECTION 4. SENIORITY

Seniority of employees shall be computed in each rank from the date of original appointment to that rank, unless an employee has been out of employment of the Department for over one (1) year (leave of absence not included), in which event, seniority will be computed from the latest date of employment by the Warwick Fire Department.

SECTION 4.5. USE OF SENIORITY

Insofar as practicable, employees covered by this Agreement shall have seniority rights in grade, and insofar as practicable, seniority shall prevail with respect to the following:

- a. Transfers to any position within the department; provided, however, that with respect to transfers from one division to another division within the department,

the only bid position will be the lowest ranking one in the division. All positions above the lowest ranking one in the division shall be filled, if vacant, by either promotions from within the division or by a transfer made by the Chief of the Department.

- b. Days off, holidays, and any and all circumstances or situations by whatever name they may be given, except as provided in Paragraph (a) above; provided, however, that an employee may reject the position or benefit at his or her discretion without the need of any explanation on his or her part. Further, in the event that an employee shall reject a position or benefit, it shall not be construed as a waiver of his or her seniority rights in any subsequent situation where seniority would prevail.
- c. In order to implement the foregoing, a bid system is hereby established under which employees may bid for jobs or positions. Whenever there is a vacancy, the vacancy shall be posted and all employees in the order of their seniority shall have an opportunity to bid on said position. The senior employee shall be awarded the bid. The successful bidder for any job shall be entitled to a reasonable trial period of not more than sixty (60) calendar days to determine whether he or she can acquire the skills necessary for the performance of said job in a reasonably satisfactory manner; provided, however, that in cases where the City and Local 2748 so mutually agree, such trial period shall not be mandatory. At the end of sixty (60) calendar days from the date of trial transfer, the employee shall be considered as being transferred in accordance with the provisions of this Section except in cases where the City and Local 2748 may mutually agree to extend such trial period.

If, during the trial period, the City removes the employee from such position for alleged lack of reasonable progress in said position the employee shall have the right to file a grievance in accordance with the grievance provisions of this Agreement. The term "reasonable progress" as used herein shall mean a comparison of the progress of the employee involved with the performance on said job of the average employee performing such work. Any disputes over the reasonableness of the trial period and/or the progress of the employee on the job shall be subject to the grievance procedures as previously mentioned.

If the successful bidder fails his or her trial period he or she will revert to a floating position until his or her next bid.

- d. Vacancies and notice of bid shall be posted in all stations fourteen (14) days or more before any bid session.
- e. Personnel changing from one platoon to another shall do so by their choice with no obligation on the part of the City to compensate, adjust or reimburse personnel who work more hours than normal; nor shall the City seek to reduce pay or require make-up time for those persons working less hours than normal.
- f. Once the vacation schedule is established, any person changing from one platoon to another shall have a selection of only those weeks that have space available under the established vacation schedule. They shall select from the available time based upon their respective seniority of all employees moving onto that particular platoon. They shall not have the right to alter any previously selected vacations; but voluntary exchanges of vacation dates are permitted in accordance with existing policies.
- g. It is understood by the parties hereto that during the trial period, progress reports may be made by the employee's supervisor, a copy of which shall be furnished to the employee and the Chief of the Fire Department.
- h. A permanent and up-to-date seniority list shall be posted and maintained on the Bulletin Board at Fire Headquarters for the benefit of all employees and all future seniority questions shall be resolved in accordance therewith.
- i. The City also agrees to furnish to Local 2748 and to maintain an up-to-date seniority list, a copy of which is posted on said Bulletin Board.

The total amount to be reimbursed to all employees of the Department will be limited to the sum of Twenty Thousand (\$20,000.00) Dollars during the contract year.

STEP ONE

When an employee feels he or she has a grievance he or she shall file the grievance in writing with the Executive Committee of Local 2748 within ten (10) days of the date of occurrence of the alleged grievance. If, in the judgment of the Executive Committee, the nature of the grievance justifies further action, it shall, through the President of Local 2748 or his or her designee, bring the grievance to the attention of the Chief of the Fire Department in writing not later than thirty (30) days from the date of the receipt of the grievance. The Chief of the Fire Department shall meet with the President of Local 2748 or his or her designee within fourteen (14) days of receipt of the grievance from the Executive Committee of Local 2748. If either party feels it necessary, the individual or individuals involved in the grievance shall be ordered to appear before the Chief of the Fire Department and the President of Local 2748 or his or her designee for the purpose of testifying on the grievance.

In addition to the foregoing procedure, Local 2748 shall have the right to bring a grievance on behalf of any employee or on its own behalf. In such case, a grievance shall be presented directly to the Chief of the Fire Department in writing within thirty (30) days of the date of the occurrence of the alleged grievance. The Mayor, or his or her designee may render a decision at Step Two, or may forward such grievance to the Board of Public Safety for a decision. If the Mayor agrees to render a decision in his/her office, a meeting relative to the discussion of the grievance will be scheduled and held within thirty (30) days, otherwise, the Board of Public Safety must hold a meeting on said grievance within thirty (30) days.

STEP THREE

If the Local is not satisfied with the decision of the Mayor or Board of Public Safety, it shall notify the Board in writing within seven (7) working days of the receipt of the written decision that it desires to process the grievance further.

In such an event, an Arbitration Committee shall be formed for the purpose of arriving at a final resolution of the grievance. This Committee shall be composed in the following manner.

The Chief of the Warwick Fire Department or person designated by him or her as his or her representative; the President of Local 2748 or person designated by him or her as his or her representative; a third disinterested person who shall be agreed upon by the first two members. If the agreement cannot be reached on the third member within ten (10) days of the decision to follow this procedure, either member of the Arbitration Committee shall request the assignment of an Arbitrator by the American Arbitration Association who shall act as the third member of the Arbitration Committee. The Committee as finally composed shall meet within fifteen (15) days of the appointment of the third member of the Committee and shall conduct hearings on the grievance and shall render its decision in writing within thirty (30) days from the conclusion of such hearing. The decision of the Committee shall be final and binding upon all parties to this agreement.

All cost and expenses of the Arbitration shall be shared equally by the parties hereto. In all cases that any reviewing authority fails to render his or her decision within the time limits set forth, the grievance shall proceed as if such decision has been made by the reviewing authority unfavorably to the Local.

Any and all disciplinary action taken pursuant to the Rules and Regulations of the Warwick Fire Department shall be subject to review in accordance with the provisions of Step Two of this grievance procedure.

No employee shall be suspended without pay in the first instance for more than fourteen (14) days.
