2010 MANDATES

YEAR	PUBLIC LAW CHAPTER	DESCRIPTION	GENERAL LAW REFERENCE
2010	21 / 22	Under the "School and Youth Programs Concussion Act" school districts are required to use training materials available through the Center for Disease Control and Prevention, and all coaches, trainers, and volunteers involved in a youth sport or activity must complete a training course in concussions.	16-90-3
2010	23 – Article 13 124 / 125	Requires that for the fiscal years 2010 and 2011 each community contribute to its school committee in an amount not less than 95.0% of its contribution for schools for the fiscal year 2009.	16-7-23
2010	23 – Article 16	Requires cities/towns to adhere to changes adopted for the application of the cost of living adjustment (COLA) for public school teachers not yet eligible to retire.	16-16-40
2010	23- Article 23	Lost tax revenue for cities/towns due to the required phase out of the motor vehicle excise tax will no longer be fully reimbursable by the state, but reimbursed at a substantially reduced level.	44-34.1-2
2010	24 / 27	This act, designed to provide financial stability to cities/towns, sets up a mechanism for the state to work with communities undergoing financial distress. Under this act multiple duties are imposed on cities/towns dependent on the level of oversight invoked .	45-9-3 to 45-9-11
2010	84 / 107	District Charter Schools: (1) existing public school cannot be converted to charter school unless approved by parents and teaching personnel; (2) school professionals employed by local school committee entitled to 2 year leave of absence; (3) no child can be required to attend nor any teacher be required to teach.	16-77.2-1
2010	90 / 112	Requires city and town clerks to charge a recording fee of \$10.00 for both the filing and discharge of bail property liens recorded by a bailbondsman.	34-13-7
2010	100 / 106	Regarding children of military personnel, local school district administrative officials must waive specific courses required for graduation if similar course work has been satisfactorily completed in another local education agency or shall provide reasonable justification for the denial.	16-91-8

2010	123	Requires any automobile accident report filed by a local police department to clearly contain a notation as to whether the automobile's airbag or inflatable restraint system had been deployed in the accident.	31-53-6
2010	146 / 159	Prohibits any municipal agency engaged in the enforcement of any motor vehicle traffic or parking laws from establishing or maintaining any policy requiring officers to meet a quota.	31-27-25
2010	171 / 184	Requires that all school buses added to current fleets or all buses included in a new contract be equipped with a closed crankcase ventilation system and several other environmental protections. Reimbursements will be provided by DEM based on available federal or state monies.	31-47.3-3
2010	176 / 185	Requires local boards of canvassers to send annually a notice prescribed by the Secretary of State to every active registered voter who has not voted in the past 5 years. Local boards would not be obligated to send the notice if state or federal government fail to appropriate the necessary funds.	17-9.1-27
2010	206 / 213	Requires that the construction of sidewalks and curbs are to be owned by all cities/towns, and that the maintenance of these sidewalks and curbs must be in compliance with state regulations promulgated by the director of transportation.	24-7-1
2010	206 / 213	Standards would be set by state regulations governing city/town construction and maintenance of sidewalks and curbs. These standards would require the installation of curb cuts and/or ramps at both ends of any new pedestrian crosswalk to make the use of the sidewalks more easily accessible to people who are disabled.	42-13-1
2010	299	Requires that school committee members annually undertake a minimum of 6 hours of professional development.	16-2-9
2010	301	Regarding collective bargaining agreements covering school teachers and municipal employees employed by school districts which expire on or after June 30, 2011 , these employees must receive benefit plans authorized in accordance with chapter 27-73 entitled "Discount Medical Plan Organization Act".	28-9.3-2 28-9.4-3

2011 MANDATES

YEAR	PUBLIC LAW CHAPTER	DESCRIPTION	GENERAL LAW REFERENCE
2011	45 / 70	Chapter 93 entitled “ Genocide Education in Secondary Schools ” encourages that every Board of Education must include instruction on the subject of genocide for all middle and high school students.	16-93-1
2011	56 / 65	Requires that expiration periods be tolled until June 30, 2013 , (currently June 30, 2011) on any approvals and permits issued pursuant to local regulations and ordinances (subdivision of land or zoning ordinances).	45-23-63.1 45-24-61.1
2011	99 / 138	This provision concerns inspection of a vehicle identification number when there is an application for first certificate of title. It requires that the inspection be performed by the Chief of Police or a designee who now must be an employee of the police department, which inspection must now be conducted at the local police station or at a municipally owned building.	31-3.1-4
2011	117 / 126	These provisions impose certain requirements regarding historical cemeteries . The recorder of deeds must maintain a register of all historical cemeteries located within the city/town, and endorse a notation upon the deed of transfer that a historical cemetery is located on the property. Also, the tax assessor must note the location of each historical cemetery on the tax assessor’s map.	23-18-10.1 34-11-1.5
2011	151–Article 10	These provisions concern certain equipment and operational requirements for “ pupil transportation vehicles ” and “ school extra-curricular vehicles ” used by school committees. Vehicles must have an audible open door warning alarm and an audible back up warning alarm; be equipped with an approved Emergency Airway Kit and a bodily fluid spill kit; and all operators of these vehicles must hold a R.I. chauffeur’s license, have passed a written test, and submit to a national and statewide criminal and driving record background check.	31-22.1-3 31-22-11.6
2011	151- Article 12	These provisions primarily concern increased reporting requirements for cities/towns concerning budgets and other financial operations. This reporting would be directed to the Division of Municipal Finance and to the Auditor General. Included in this reporting requirement would be certification of tax rolls, adopted budget surveys, 5 year forecasts, fiscal impact statements, quarterly reports, corrective action plans, deficit notifications, and municipality must join electronic reporting and implement municipal Uniform Chart of Accounts (UCOA) within six months.	44-5-22 44-35-10 45-12-22.2 45-12-22.3

2011	162 / 178	This act requires that the Department of Education must prescribe by regulation a statewide bullying policy which applies to all schools, and which will require schools to perform certain functions and adopt certain specified strategies when dealing with bullying issues.	16-21-34
2011	170 / 311	Requires that water pollution violation notices and compliance orders issued by the Director of the Department of Environmental Management be recorded in the land evidence records in the city/town where the subject property is located. Written notice of satisfactory completion of the compliance order is also eligible for recordation.	46-12-9
2011	174 / 323	This act concerns the examination of building permit applications by building officials. It establishes time frame requirements for both issuance of the permit or rejection of the application. It would apply both to applications for new construction and for rehabilitation of certain residential dwellings and light commercial buildings. The building official would have 45 calendar days after the filing to either issue the permit or reject the application. Failure to do so would result in the reduction of the permit fee by 50%.	23-27.3-114.1
2011	185 / 186	This act makes failure to wear a seat belt a primary rather than a secondary offense. It requires that a law enforcement officer cannot stop a motor vehicle to determine compliance with the seat belt law without reasonable suspicion that there is a violation. Also the officer cannot search a motor vehicle, its contents, and the driver or passenger solely because of a seat belt violation.	31-22-22
2011	191 / 205	Requires that elective meetings in all cities/towns be continuously kept open for voting until 8 p.m. (currently 9 p.m.).	17-18-11
2011	193 / 210	This act places certain responsibilities on municipalities regarding issuance of a license by the Department of Health to operate a construction and demolition debris processing facility . The host municipality must issue a letter of compliance that all applicable zoning requirements and local ordinances have been complied with, and, if these are not complied with, a letter of non-compliance must be issued.	23-18.9-8
2011	198	Due to the passage of Civil Union legislation several duties are placed on city/town clerks regarding licensing and recordkeeping. The clerk is responsible for issuing licenses and charging certain specified licensing fees, a portion of which must be transmitted to the General Treasurer. Clerks also must keep an account of all fees, record in separate books certain vital record information, and file and preserve the civil union certificate.	15-3.1-3 15-3.1-4

2011	199 / 201	Under the new Voter Identification legislation Boards of Canvassers are now responsible for collecting proof of identity from voters. The local board must determine the validity of a provisional ballot executed by a voter unable to provide proof of identity. If determined to be valid the provisional ballot counts, and, if determined as not valid, the provisional ballot remains in the envelope and must be marked “Rejected as Illegal”.	17-19-24.2 17-19-24.3
2011	215 / 313	Various amendments were made to the “ R.I. Comprehensive Planning and Land Use Act ” which extensively amend the required contents of comprehensive plans, and call for detailed maps illustrating various conditions. Also, procedures for the preparation, adoption, and amendment and readoption of plans are significantly amended.	45-22.2-5 45-22.2-6 45-22.2-8 45-22.2-12 45-22.2-13
2011	227 / 337	Under the “ School and Youth Programs Concussion Act ” all coaches and volunteers must complete a refresher course in concussions and traumatic brain injuries annually after initial completion of a training course (currently required). A youth athlete who has been removed from play must receive written clearance to return to play from a licensed physician who must be trained in the evaluation and management of concussions.	16-91-3
2011	265	Applies to Providence only. This act amends the powers and duties of school committees by vesting the power and duty to enter into collective bargaining agreements in municipalities with an appointed school committee in the chief executive officer.	16-2-9 16-2-21.6 16-7-19.1 16-7-29 28-9.3-2
2011	269 / 277	This act requires cities/towns and districts to pledge ad valorem taxes and general fund revenues for payments owed on general obligation bonds and notes . This pledge constitutes a first lien on ad valorem taxes and general fund revenues. Also, municipalities would be forbidden to sell a long-term bond in order to fund pension obligations or other post-employment benefits without prior approval by the Auditor General and the Director of the Department of Revenue.	45-12-1 45-12-22.4
2011	279 / 304	This act added various new sections to the chapter entitled “ Budget Commissions ”. The new provisions include: an increase in the powers of the receiver which forbids local officials from rescinding or taking any action contrary to the receiver’s exercise of powers; forbids expenditures in excess of appropriations by elected officials; and indemnifies the various parties involved in budget commission and receiver activities, with the costs for indemnification to be paid from amounts available in the city/town general fund among other options.	45-9-18 45-9-19 45-9-20 45-9-22

2011	282 / 401	Requires that “plant agriculture” is a permitted use within all residential zoning use districts and all industrial and commercial zoning use districts except where residential use is prohibited.	45-24-37
2011	332 / 396	This act now places a requirement on contractors and subcontractors awarded a public works contract to furnish a certified copy of payroll records to the awarding authority on a monthly basis. The awarding authority must provide all payroll records to the Director of Labor and Training within 10 days of being requested. Also, the awarding authority must withhold the next scheduled payment to any contractor or subcontractor who has failed to comply with the requirements of this section, and notify the Director of Labor and Training.	37-13-13
2011	399	This act concerns licensing of persons under the “ Purchase and Sale of Tools and Electronics ” chapter. Licensees must retain in their possession for 14 days all tools and electronics, and must keep a comprehensive record of all these transactions which is to be delivered to the chief of police. If the chief of police has probable cause to believe the tools and electronics have been stolen, they must be held for an additional 15 day period during which the chief of police must designate an officer to secure the property alleged to have been stolen. The property receipt officer must enter into a book a description of every article, and deliver the property to its owner after completion of certain steps.	6-53-5

2012 MANDATES

YEAR	PUBLIC LAW CHAPTER	DESCRIPTION	GENERAL LAW REFERENCE
2011	408 / 409	This chapter is known as “Pathway to Retirement Security for Locally Administered Pension Funds Act” . Every municipality which maintains a locally administered pension plan must submit an actuarial valuation study on an annual basis and an actuarial experience study no less frequently than every three years to the Study Commission for locally administered plans. Municipalities which have plans deemed to be in critical status must provide notification of critical status to various entities, and submit to the Study Commission a reasonable alternative funding improvement plan to emerge from critical status.	45-65-6
2012	13 / 14	The Department of Revenue and the R.I. Association of Collection Officers shall establish and conduct an annual training institute for local tax collectors. (No cost to municipality)	44-5-83
2012	108 / 146	This act requires the Dept. of Elementary and Secondary Education and the Dept. of Health to incorporate into their rules and regulations a procedure whereby a parent or legal guardian expressly authorizes the school department and additionally school bus drivers and monitors to administer epinephrine in cases of anaphylactic emergency. School bus drivers and monitors must receive training in the administration of epinephrine, and must administer the epinephrine auto-injector to an identified student.	16-21-22
2012	111 / 125	This act forbids schools from using a student’s truancy or absenteeism as the sole basis for using an out-of-school suspension as a disciplinary action. This act also requires the school committee of each school district to adopt a plan to ensure continued education of students either removed from the classroom because of a suspension of more than 10 days or who are chronically truant.	16-19-1 16-21-27
2012	126 / 175	This act requires that orders or notices regarding unsafe dams and reservoirs, as well as the notice of satisfactory completion, issued by the Director of the Dept. of Environmental Management must be recorded in the land evidence records in the city/town wherein the subject property is located.	46-19-4

2012	163 / 179	This act concerns environmental clean up objectives for buildings used as schools. It establishes various criteria that must be met by school construction project sponsors if there exists the potential for contamination by hazardous materials on the property where the school is located . This section requires school districts undertaking new school construction to provide for necessary wiring which is consistent with current standards for computer networking technology in schools.	23-19.14-4 16-9-4.1
2012	192 / 201	This act requires that designated parking spaces for motorcycles be provided in parking areas adjacent to municipal buildings. Municipalities must prepare motorcycle parking plans and provide signage designating the motorcycle parking spaces.	37-8-20
2012	220 / 229	This act concerns the examination of building permit applications by local building officials. In certain situations the applicant must obtain a physical alteration permit from the Department of Transportation as a requirement for issuance of the building permit. The lack of a physical alteration permit must not be cause for a building official to delay examination of the building permit application.	23-27.3-114.1
2012	241 – Article 4	This act requires the State Building Commissioner to develop a technology and implementation plan for a standard web-accessible service to be utilized by municipalities for uniform, statewide electronic plan review, permit management and inspection.	23-27.3-108.2
2012	241- Article 12	The uniform system of accounting for school districts must also include a standardized budget process to ensure districts can annually assess investment priorities and incorporate long range planning. Also upon completion of the implementation of the uniform chart of accounts, school districts must implement a regents-approved budget model, and use best practices established by the Dept. of Education for long range planning, budget development and budget administration and reporting.	16-2-9.4
2012	241- Article 12	Requires that debt service that is no longer carried on the books of any school district shall not be included in the annual budget, nor shall non-recurring debt service be included in maintenance of effort, nor shall non-recurring debt service be included in the operating budget of any school district.	16-7-23

2012	241- Article 22	Under the various municipal arbitration statutes (firefighters, police, school teachers, and municipal employees) this act requires that if a budget commission or a receiver has been appointed for a municipality then contracts cannot exceed the term of 5 years (current provision is 3 years).	28-9.1-6 28-9.2-6 28-9.3-4 28-9.4-5
2012	291 / 341	This act establishes a student advisory council to the Board of Regents for Elementary and Secondary Education. Each public secondary school must hold elections for its representative to the student advisory council (one representative per school).	16-60-2
2012	302 / 351	This act provides that the operation of buses by a bus company in interstate commerce are exempt from the excise tax if the bus is used 80% or more of the time in interstate commerce (currently requires exclusively in interstate commerce).	44-34-4.1
2012	347	School districts offering advanced placement courses to students must notify parents of the availability of these courses, and the guidelines used to determine student eligibility to enroll, which guidelines and course names must be posted on the school district's website.	16-98-7
2012	364 / 391	This act exempts the qualified sale of a mobile or manufactured home community to a resident-owned organization from the real estate conveyance tax .	31-44-3.3 44-25-2
2012	369 / 388	This act requires that any zoning ordinance setting forth standards or requirements for on-site sewage disposal systems must first be submitted to the Director of the Dept. of Environmental Management and to the Dept. of Health for approval as to technical merits. Also, any zoning ordinance setting forth standards or requirements regarding wetland setbacks must first be submitted to the Director of Environmental Management for approval as to technical merits.	45-24-30
2012	374 / 396	This act requires municipalities to charge specific dollar amounts for the recording of certain specifically enumerated instruments relating to real estate.	34-13-7 34-13-8

2012	448 / 454	This act substantially amends the “ Access to Public Records Act ” imposing various duties upon municipalities. Among these duties are the following: Identify a designated public records officer or unit; explain procedures in writing regarding how and where to make a public records request; post copy of procedures on public body’s website; satisfaction of a request within 10 business days unless certain criteria are met to extend time frame for an additional 20 days; waive copying, search and retrieval fees if above time frame is not met; make available within 48 hours certain specified information reflecting an initial arrest and charges made; and provide orientation and training to all officers and employees who have the authority to grant or deny access to records.	38-2-3 38-2-4 38-2-7 38-2-3.2 38-2-3.16
